

Illinois Citizens for Life

March 20, 2012, Illinois Primary Election Information

Candidates have been surveyed and rated by Illinois Citizens for Life with respect to pro-life issues (Abortion, Euthanasia, Embryonic Stem Cell research and related issues). This was done through surveys, public statements, and/or voting records. All presidential candidate ratings below were based on information we gathered that reflect their recent positions on Life. Since some candidates have changed their positions over the years, the ratings are based only on recent position information. The ratings are to the left of the listing and represent the following:

- 1 = Fully Pro-Life
- 2 = Not in full support of all Pro-Life issues
- * = An asterisk indicates incumbent.
- U = Unknown (Did not answer or complete survey.)
- X = Does not have a Pro-Life position, but we do not have enough information to enable ICL to give a number rating.
- 3 = Will not support most Pro-life issues
- 4 = Totally opposed to Pro-Life issues
- # = Rape and Incest Exception

If you would like further information, call Illinois Citizens for Life at 630/852-5448 or 773/583-2069. You may also send email to: icl@icl-life.com. This list does not constitute support or endorsement by Illinois Citizens for Life and cannot be used to advance the candidacy of any individual. Every effort has been made to insure the accuracy of this information. We regret any errors. **To vote in a Primary Election, a voter must choose the ballot for only one party.**

In the following list an "(R)" indicates the Republican Party, a "(D)" indicates the Democrat Party, and a "(G)" indicates the Green Party. We encourage copying this information for distribution. When formulating information for your own area please keep districts intact. ICL cannot allow altering by adding or deleting an individual candidate or candidates or a change in rating without permission.

Candidates are listed in alphabetical order within rating groups without any preference to individual candidates or parties.

THIS SHEET MAY BE TAKEN INTO THE VOTING BOOTH.
